

2010

Dear Prospective Resident:

As part of our Admission package, upon entry into our healthcare system we will provide you, as mandated by the Healthcare Insurance Portability and Accountability Act (HIPAA), with our Notice of Privacy Practices. This notice describes how medical information about you may be used and disclosed and how you can obtain access to this information. We will provide you with this information the day of your actual admission to our Home.

Sincerely,

Susan Kunkel
